Razorback CLNC DEL  
121.05

Razorback APP/DEP CON  
126.6

Runways 17 (turf) and 18 (paved) are the calm wind runways

Simultaneous use of turf and paved runways not allowed per the FAA

Larger aircraft use taxiway A, taxiway B has limited clearance with parked aircraft on the east ramp

Traffic flow on the circular ramp is clockwise

Parking is available on both the west circular ramp (primary) and east ramp (maintenance/overflow)

Please do not perform runups in any ramp parking spot, taxiway C may be used as a runup area

Contact Razorback Clearance Delivery on the ground on 121.05 for VFR flight following or IFR clearance
